

TUITION

Cash, checks, money orders, MasterCard, Visa, American Express, Discover and bank debit cards are all accepted for tuition payments — Checks should be made payable to Richland College. All checks must have the valid driver's license number, date of birth and daytime telephone number of the person signing the check, along with the student's name and student ID number. We do not accept temporary checks.

Returned checks & your pay plan privilege — If you are dropped from classes as a result of a returned check for tuition, your payment plan is cancelled & the balance for classes is due in full. Also, if you are allowed to re-register for classes, your tuition will be due in full at that time. You will not be accepted for a pay plan for that term.

Regardless of the type of financial assistance anticipated, it is always the student's responsibility to make sure tuition and fees are paid on or before the due date. If an award letter has not been received at the time tuition is due, students should be prepared to pay from personal resources.

Important Notice: Effective Fall 2005, the Dallas County Community Colleges will charge a higher tuition rate to students registering the third or subsequent time for a course. All third and subsequent attempts of the majority of credit and workforce continuing education courses will result in higher tuition to be charged. Developmental Studies and some other courses will not be charged a higher tuition rate. Third attempts include courses taken at any of the Dallas County Community Colleges since the Fall 2002 semester. To view a detailed list of courses that will not be included in the higher tuition rate and a detailed list of cross-listed courses where one course equates another for this purpose, please go to <http://www.dcccd.edu/thirdcourseattempt/>.
